***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach an analog to digital converter in which the input stage comprises a first and a second switched capacitor circuits; one of the first switched capacitor circuits is coupled to an output terminal and to an input terminal of a buffer via a first and a second sample switches respectively; the other switched capacitor circuit is coupled to a reference voltage and further to an input terminal of the buffer and to the first switched capacitor circuit via the second sample switch.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peguy JeanPierre whose telephone number is (571) 272-1803. The examiner fax phone number is (571) 273-1803.
